Subject: RE: Monthly EPA/DEQ Staff/Manager Meetings - Updated logistical info

Good afternoon. Below are the draft agendas for tomorrow's technical and managers meeting. Things are still in flux and Cami may offer changes to these at the start of the meeting tomorrow. We may also decide that the technical meeting could be a bit shorter and the managers meeting a bit longer depending on how long it might take to go thru each agenda's items and issues. These agendas are the result of the conversations that have occurred over the past 10 days or so based upon what EPA is going to direct the NRRB to consider, what DEQ is preparing in it FS comments and written submission to the NRRB and how the schedule is evolving to connect with Congress, the LWG, the CAG, the Tribes, etc. Technical teams agenda:

1. Latest direction on what EPA is technically requesting that the NRRB focus on as the potential preferred remedy. (Kristine Koch)
2. DEQ Q&A on EPA's direction and Overview of State of Oregon's likely written response to NRRB (Kevin Parrett): Cover letter outlining Oregon's values that comprise a successful cleanup. Recommendations of areas where additional analysis, adjustment of assumptions and/or alternative cleanup strategies might help produce a cost-effective cleanup consistent with Oregon's values for a successful cleanup.
3. Description of NRRB process at the November meeting. (Cami/Sheila)
4. Review of the schedule of key meetings/activities over the next few months (Cami)
5. Identification of potential topics for the Dennis/Dick/Jim briefing on 10/19/15 (All)

Managers agenda:

1. Continued refinement of EPA direction to NRRB and Oregon's written response to NRRB, if needed.
2. Discussion of what Congressional engagement should look like when (and with Members or just staff) over next two months or so:
 - a. 'Roll-up the sleeves' (and/or pre-written submission to NRRB) connection?
 - b. Post written submission to NRRB and prior to November NRRB meeting connection?
 - c. Post November NRRB meeting and prior to posting of NRRB findings connection?
 - d. After posting of NRRB findings connection?
3. Discussion of how to approach finalization of the FS in light of the schedule for developing and completing the ROD in 2016
4. Development of agenda for Dennis/Dick/Jim briefing on 10/19/15
5. Other topics as requested

I look forward to the call tomorrow.

Cheers, Bill

-----Original Appointment-----

Subject: Monthly EPA/DEQ Staff/Manager Meetings - Updated logistical info

When: Wednesday, October 14, 2015 1:00 PM-4:00 PM (UTC-08:00) Pacific Time (US & Canada).

Where: VTC, 12 Maple, Oregon Operations Office Conference Room, nonresponsive

Debbie and Tom will miss this meeting.

Bill Ross will email agenda to this group on Tuesday 10/13. Bill Ross will facilitate from the Seattle conference room.

1:00 – 3:00 – Includes staff people

3:00 – 4:00 – EPA will include Stalcup, Fleming and Koch. DEQ will include Deconcini, Parrett, Johnson, Gilles.

The teleconference number is the OOO Conference Line. Tom and/or Melody can provide the Leader PIN if needed.

Locations of meeting participants:

- In Seattle, 12Maple with a VTC unit.
- In Portland, Annie will coordinate DEQ and EPA participants in the OOO conference room.
- HQ, if you will want to meet in a room with VTC, please send Debbie the room number and VTC info no later than COB on Tuesday. I will need to forward this information to RTP to set up the connection.

Call-in information:

- If you are in a room with VTC, you do not need to call the conference number.
- Participants who are not in a conference room with VTC will be able to dial the conference number, which is in the Meeting Location field of this invitation.

Adobe Connect:

- If any information will be projected, Kristine can plug her computer into the VTC unit so that the information will be projected on the VTC screen.
- If you are participating remotely, Kristine can let you know the url of her adobe connect meeting room.

Agenda:

- You will receive a draft agenda from Bill Ross on Tuesday, 10/13.
